

# UCount Rewards

Social Rewards  
Linking Process

Logon to your UCount Rewards profile on [www.standardbank.co.za/ucount](https://www.standardbank.co.za/ucount)

The screenshot shows a web browser window with the URL <https://ucount.standardbank.co.za/personal/>. The page features a blue header with the Standard Bank logo on the left and the UCount Rewards logo on the right. A 'Login' button, highlighted with a red circle, is located in the top right corner of the header. Below the header is a navigation menu with links for Home, About UCount Rewards, Rewards Tiers, Collect, Redeem, Online Shopping, and Travel Mall. A search bar is also present. Below the navigation menu, the page location is indicated as 'Home', and there are links for 'Frequently asked questions', 'Contact us', and 'Site map'. A large promotional banner for Altech Netstar's NEW collection rules is displayed, featuring an image of a helicopter and the text: 'Altech Netstar's NEW collection rules! New collection rules\* effective on all new contracts from 1 March 2018. See what's new'. Below the banner, there is a link to 'Activate your card' and a price of 'R22.19 per month gives you access to a world of rewards and great savings'.

Click on “collect more on your social network” on the right hand side

The pop up below appears. Click on “unlinked”

Enter your Twitter username and password; then click on “authorize app”

The screenshot shows a web browser window with the URL `https://api.twitter.com/?oauth_token=f-Kk4gA...`. The page title is "Authorize UCount Social Rewards to use your account?". The UCount logo is displayed next to the text "UCount Social Rewards" and "By The Standard Bank of South Africa Limited". Below this, there is a text input field for the username, a password input field, and a checkbox for "Remember me". A red rectangle highlights the username and password input fields and the "Authorize app" button. Below the input fields, there are two buttons: "Authorize app" (blue) and "Cancel" (grey). At the bottom, there is a section titled "This application will be able to:" followed by a list of permissions: "Read Tweets from your timeline.", "See who you follow, and follow new people.", "Update your profile.", and "Post Tweets for you."
